WMFFC Mission Statement

The Mission Statement of the White Mountain Fly Fishing Club is: "To assist in the development and maintenance of fly fishing opportunities and to promote and participate in fly fishing in its many forms."

We support and practice Catch and Release. We support the use of Barb-less Hooks and harmless netting and release practices. Fish should never be held out of water for longer than you can hold your breath.

Tight Loops

I want to say "thank you" to all our guests at the meeting Wednesday May 19; and compliment our members for bringing them. It was fun to see a lot of new faces. From the guest night, our club welcomed eleven new members. . .how great is that!

Dennis Jones – I want to let you know how much you are appreciated by the WMFFC and myself for the outstanding efforts you have made as Membership Chairman. Nobody knows the time you have spent on this job. THANK YOU!

"Thanks!" to Bill Langdon, the raffle was a huge success. Congratulations! to Ted Cesarano for winning the special raffle to the "Red Devil" Pizza restaurant.

In less than a month, the banquet will be a happen' thing! You will not want to miss it! The donations this year are terrific and I would like to see our club membership benefit immensely from the many raffles. You are guaranteed a good time!

See you on the 9th (June Meeting) and for sure on the 19th!

Casting for Recovery ...

On Sunday May 16th our Club had the honor of donating and preparing the finally Luncheon on Sunday for the participants

and crew of the Arizona Casting for Recovery Retreat. Casting for Recovery is working to be a preeminent breast cancer support organization addressing quality of life issues. CFR supports breast cancer survivors through a program that combines fly-fishing, counseling, and medical information to build a focus on wellness instead of illness.

In the morning the women fished on the Greer Ponds where each woman is paired up with a "Fishing Guide" who helped them fish and experience the joy of landing fish on a fly. The luncheon consisted of grilled marinated chicken breast, cooked by Bob Bowers, Gary Miller, and Don Steir on a huge mobile grill donated by Cellular One. We also served large salads of fresh greens and a mixed fruit salad and cookies and Dove Chocolates and drinks.

Our clubs received a lot of praise and recognition and our contribution was gratefully recognized. We hope to be able to continue with this effort in the coming years. Our members who were there and/or contributed to a great success included: Bob Bowers, Gary Miller, Michael Smith, Dennis Jones, Ross Griswold, Richard Hegener, Fran Steir, Don Steir, Dawn Hewitt, Sparky Snyder, Gail Allgood.

WMFFC donated two fly boxes with flies and a Fly Rod and Reel with line and tippet which will be used at future fundraising events to help fund future retreats.

Creek runs to river,
River runs to sea,
Ain't never caught a trout
That ain't caught me.

Oh, listen what I tell you,
Tell you true,
You fool with trout,
And they hook you.

Banquet Raffle - We have some really nice raffle items and we are looking for our members to step up with donations of craft items, homemade items, things you have had for years and never used.....we all have lots more than we need or use. What better way to clean out all that stuff than to donate it to a good cause. Why not ask your barber, manicurist, massage therapist, or favorite restaurant for a donation of a gift certificate. You'd be surprised just how easy it is and how much people want to help - Dawn Hewitt
